## 2024 WORLD SENIOR CURLING CHAMPIONSHIPS (WSCC)

Östersund, Sweden 20 - 27 April 2024

---

1. World Curling Federation (WCF) rules apply, unless otherwise indicated below or explained at the Team Meeting.
2. The Senior Women (18 teams) are placed into 3 groups. Each group plays a round robin. At the end of the round robin the top 2 teams in each group plus the two 3rd ranked teams with the better DSC qualify for the quarter-finals and will be ranked 1-8 by comparing the DSCs of the teams with the same rank from each group.
3. The Senior Men (24 teams) are placed into four groups. Each group plays a round robin. At the end of the round robin the top 2 teams in each group qualify for the quarter-finals.
4. All games will be eight (8) ends, with extra end(s) to break tied games.
5. There will be a nine (9) minute practice for each team before each round robin game. The practice starts 30 minutes before the scheduled game time. The team with dark stones practice first, with the exception of the games marked in the playing schedule where a coin toss will decide which team practices first.
6. The last stone advantage in the first end of the round robin games will be decided by playing LSD stones as per WCF rules.
7. First named team in each draw plays stones with dark-coloured handles, and should wear dark-coloured upper playing garments. Second named teams in each draw play the stones with the light-coloured handles and should wear light-coloured upper playing garments.
8. The ice for the play-off game has been pre-determined and is listed in the playing schedule.
